Dear Mr. Kelly:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 9433.

We have considered the exception you claimed, specifically section 3(a)(11), and have reviewed the documents at issue. A previous determination of this office, Open Records Decision No. 466 (1987), a copy of which is enclosed, resolves your request. For this reason, you may withhold most of the requested information. Certain portions of the correspondence and memos consist of reasonably severable factual information or descriptions of procedures applicable to promotion and tenure decisions, and are not excepted from disclosure by section 3(a)(11). I have marked the document and portions of documents that are available to the requestor. Documents that are not marked are closed in their entirety.

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR90-332.

Yours very truly,

A handwritten signature in cursive script that reads "Susan Garrison".
